Description:

HIGHLY CONCENTRATED fabric softener with a very high PERFORMANCE.

Its pleasant perfume with MUSK ROSE fragrance remains for a long time.

Key Properties:

Its continued use improves drying and ironing of fabrics, while reducing considerably energy consumption and ironing times.

It removes easily the static load and prevents whites from turning grey.

Use Instructions:

Apply a dose of 2 to 6 gr of the product per each kg of dry cloths, in the last rinse, without mixing with other products.

Technical Data:

*PROPERTIES:
